Applicant certification: I attach or will provide documentation that confirms the basis for the income eligibility selection above. I understand that any work to be done in my home is subject to the availability of funds, program goals, and the eligibility of the household under program eligibility guidelines. I understand that if the program replaces a refrigerator owned by the landlord that the new unit will also be owned by the landlord. I further understand that work under the program cannot form the basis for an increase in rent above the provincial guideline as it is not an expenditure that my landlord will have incurred. I understand that information provided by me will be used solely for program purposes and will otherwise be kept confidential. I attest that the information provided here is true to the best of my knowledge and that any willful misstatement may be cause for the rejection of my application. If the home is rented I understand that the contractor will seek landlord consent which is required.

By signing below I authorize the Ontario Power Authority, participating sponsors and program contractors to:

- verify income or benefits received by my household for purposes of confirming eligibility;
- conduct an energy efficiency audit of my home at no cost to me;
- provide advice and perform energy efficiency upgrades to my home at no cost to me;
- obtain utility consumption records from the utility for up to 3 years before and after work is done for program evaluation purposes;
- use photocopies of this signed release for these purposes;
- contact me for follow-up purposes.
