

Energy Expo 2005 **Southeastern Ontario's renewable energy fair**

**St. Lawrence College
May 28-29, 2005**

**10 am to 4 pm
Saturday and Sunday**

Corporate Sponsorship

Gold Sponsor

\$2,000.

Your corporation will receive high profile for this sponsorship, not only in promotion, but positioning your company as a "green" business. As a sponsor you will receive many benefits including:

- Your logo on all printed materials
- Your logo on all computer generated invitations, exhibitor promotions and emails
- Your logo on exterior banner – advertising Energy Expo outside St. Lawrence College
- A complimentary display space
- A complimentary sponsors lunch – meet the speakers and learn first hand how your company can benefit from this Energy Expo

Silver Sponsor

\$1,000.

Your corporation will receive high profile for this level of sponsorship, as well as excellent positioning as a company committed to the environment

- Your logo on day-of program
- Your logo on exterior banner
- A complimentary sponsors lunch – meet the speakers

Bronze Sponsor

\$500.

Your corporation will receive high profile for this level. Bronze Sponsors will receive prime exhibit space and logo on the day-of program. Mention on all speakers materials and a complimentary sponsors lunch

Exhibitor

\$190. per exhibit

See attached for details of entry, space requirements and set up times.

Each exhibit space will be equipped with two chairs and one ten foot table. If electrical outlets are needed, it must be stipulated on the entry form. Exhibitors will benefit from the exposure to the expected two to three thousand people expected to attend over the two day period.

Media coverage will highlight all exhibitors, as well as our staff photographer and recognition in the day-of program.

We at Hearthmakers Energy Co-operative are dedicated to promoting the One Tonne Challenge, and energy efficiency, new energy options and helping the environment. Join us in our first renewable Energy Expo.
